FELLOWSHIPS & INTERNSHIPS

Fred Foster Mentorship Program | Electronic Theatre Controls (ETC)

2023-2024

2022

2020

Mentorship program that helps lighting design and technology students make the transition into the professional working environment through connecting them with industry professionals.

Lyman/Parker Non-Profit Fellowship in the Arts | *Midland Center for the Arts* | *Midland, MI* Fellowship that offers students service experience with a non-profit organization focusing on the arts (in this case: the Center Stage Theatre at Midland Center for the Arts). The fellowship position was under the title of Programming Intern.

2021-2022

Roberts Fellowship | 23rd Class | *Saginaw Valley State University* | *Saginaw, MI* Fellowship in leadership with an emphasis on an intersectional, multicultural approach. Created and observed the development of two community service projects in a group with five other fellows:

<u>Carnival for the Cattery</u>: A fundraising event at the Bay County Fairgrounds to help raise money for the Bay County Animal Services and Adoption Shelter so they could renovate their cattery. The goal of the fundraiser was to earn \$400, and we earned over \$1,000.

<u>Ukrainian Refugee Relief</u>: A fundraiser was developed to provide aid to a Ukrainian refugee shelter our fellowship visited on our trip abroad to Prague, Budapest, and Hungary to help with the cost of housing, food, clothing, among other essentials during the war. The goal of the fundraiser was to earn \$1,500, and we earned exactly that.

Lighting/Electrics Internship | Great River Shakespeare Festival | Winona, MN *Internship cancelled due to COVID-19 Pandemic.*
